Kindergarten 8:40 AM Start -11:45 AM End

Grades 1-8 8:40 AM Start -3:20 PM End

Professional Development days are very important in our innovative school. Staff collaborates with each other and specialist to continue learning to insure we are being true to our charter. All core subject curricula is created to meet students needs and interests while still being aligned to state standards using various methods of data and assessment. Arts integration and environmental focus require additional training beyond typical teachers' educational requirements. Thank you for understanding the importance of this and supporting staff development.
