

FUNDRAISING YARD SALE!!!!

Summer Vacation is finally over and school is back in full swing.

We have some new playground equipment, but we need safety surfacing before it can be set up.

We have set the date of September 27th for a Fundraising Yard Sale to help pay for the surfacing.

A storage unit has been secured for storing the donated items until the sale. Please contact Teresa Worth (412-7044) to arrange a time to drop off any donations for storage. Pass the word to all your neighbors and friends that we are accepting donated items to sell.

Please do NOT leave items for the sale at the school.

COMMUNITY COUNCIL

A new school year has started and the Community Council has scheduled the first meeting for
September 11th at 6:30pm.

For all of the new families and even some of the old, here is some information about the Community Council.

The Community Council is not a PTA and we do not charge dues. The Community Council Meetings are open to any families of students and community members that wish to attend. School staff and board members are also more than welcome to attend.

The Community Council was created as the chief source of initiatives and ideas relating to the school policy and decisions that affect the entire school and the surrounding community.

Everyone who attends a Community Council Meeting has a voice and a vote for matters that are presented at each meeting.

Please take a few minutes out of your busy schedule one evening each month and join us!

VOLUNTEERS NEEDED!

Kirsten Finnigan is the school's volunteer coordinator. She's developing a flyer of volunteer opportunities for families and friends of the school. This will be available soon. Meanwhile—Rebecca needs help painting walls in the art room. If you can help, please contact her at the school at 377-0011.

A great big "Thank You!" goes out to all of those volunteers who helped paint the office and the computer lab this summer.

COMMUNITY COUNCIL ELECTION RESULTS

STUDENT AGENDA'S

Every student has been given a beautifully colored "agenda" to keep them organized throughout the school year. It will also enable teachers to communicate daily with parents. Please ask your child about these and be sure to check them every night. Teachers may write you notes and you are also able to write notes in return. They will also be used as out-of-class passes. Help us get students to use these consistently and take care of these great tools!

BOOKMARKS & BUMPERSTICKERS OH MY!

We still have plenty of bookmarks and bumper stickers for families and friends.

Show your school spirit and stop by the office to pick up yours today!

NEW STUDENT HANDBOOKS

To help the school staff communicate with families, students will be receiving updated handbooks this week.

Please be sure to read them so you understand important school policies.

New sections have been added under Attendance and Volunteering & Participation. Please sign & return these by September 11.
